Generally, driveways which you presently have and/or any mesh and barbed wire fencing will be replaced during construction. If applicable, the exact location of these items will be discussed with you by the Department's representatives who meet with you.

Should the proposal not be acceptable, the Department will have no alternative other than to acquire the property rights through expropriation in accordance with applicable State law.

Discussion of expropriation procedures by the Department can be found in the brochure ***Acquisition of Right of Way and Relocation Assistance***, a copy of which is included with the presentation of the Department's proposal to acquire the ownership.
